Chris Kyle believed that as well, and set out to find ten iconic weapons that defined American history, as well as the men who wielded them. The book opens up with a moving foreword from Kyle s widow, Taya, who declares that Kyle was a man who tended to downplay his intellect, but who possessed much of it, particularly in terms of history and firearms.

American Gun is about the guns from the 1700s through today's guns. If you know a lot about guns this is the book to read. If you are a person who wants to know about which war these guns were in. In my opinion i really like this book, not only because its military it's because it has the story's of each gun.
