Iggy Peck Architect Amazon de Andrea Beaty David

Iggy Peck has been building fabulous creations since he was two. His parents are proud of their son, though sometimes surprised by some of Iggy's more inventive creations (like the tower he built out of used diapers). When a new second grade teacher declares her dislike of architecture, Iggy faces a challenge. He loves building too much to give it up! With Andrea Beaty's irresistible rhyming text and David Roberts' unique and stylish illustration, this book will charm creative kids everywhere.
