World Literature Unit 1 Things Fall Apart Common Core

Chinua Achebe, often called the father of modern African literature, has had an impact on readers around the world and on a generation of novelists who have come behind him. His tragic novel, Things Fall Apart, is one of the most widely-read books in the world and will serve as our students introduction to this world literature course. The novel s message about colonialism is echoed and built upon by many of the non-European authors students will read this year.
